Core Values at Rivelin

Our Core Values are really important to us at Rivelin. Y1/2 and Y3/4 explored kindness in the story 'The Lion and the Mouse' during their Talk Assembly this week. The children shared ideas about the importance of being helpful and kind to others. Even a tiny mouse can help a huge lion! Y5/6 acted in role as teachers and explored different scenarios involving Core Values. We discussed ways in which we can address unwanted behaviours around school and how we can encourage respect, kindness and honesty from everyone.

Y2 Writing

Miss Smith is very proud of her Tawny Owl class this week. The children have produced non-chronological reports based on interesting facts about London. Miss Smith said, "I'm really impressed with how well they've taken to the new handwriting lines."

Welcome Back Outdoor Disco

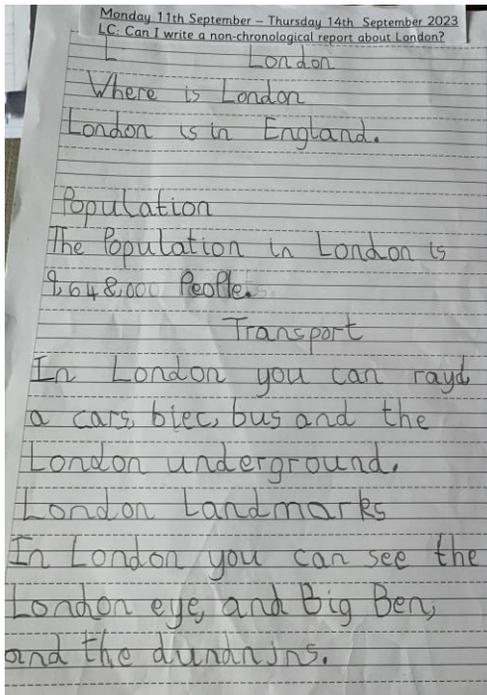

We are looking forward to our Outdoor Disco on Monday 25th September. The disco was unfortunately cancelled before the summer holidays due to bad weather. Let's hope for dry weather this time so children can have an amazing time with their friends!. All funds raised are going towards redecorating and resourcing the school library. Information about the disco has been sent out by the school office.

Singing Assemblies

Music and singing are a valuable part of our curriculum at Rivelin. We now dedicate every Monday Assembly to learning and performing a variety of songs to sing to an audience. We will share these with you at our Open Classroom Events throughout the year.

After School Clubs

Our Y3/4 Football Club kicked off to a great start this week. Look out for more after school clubs advertised by the office staff in the next few weeks.

Excellence for every child every day
