Fun at the disco!

Our children, parents and staff had so much fun at the disco on Monday, so we have decided to plan another for later in the year. At the end of the disco, our PTA team applauded every single child for having excellent manners.

Together, with your support, we have managed to raise £900 towards our library developments. Thank you to everyone who supported the disco!

Y3s Trip to Manor Lodge

All of the children in Y3 Foxes and Y3 Woodpeckers enjoyed cave painting by candlelight on Monday- a real Stone Age experience!

Y4s Active Maths

Mrs M shared this photo of her children and said, "The children have been learning how to order numbers up to 10,000 by creating a class number line. They could only use language such as 'my number is greater than or less than...'. They did an amazing job!" Well done Y4s!

Eden Camp

The Y6 children had an interesting day at Eden Camp, and stepped back in time to visit WW2. They enjoyed roaming the huts to find out about the different aspects of the war.
