Rock Shop Fundraising

Over half term Adam and Izzy (Y4) set up a rock and gem sale to raise funds for the school library and for care of the elderly - they raised a grand total of £32 to be split between the two good causes. We are so proud of them for showing our whole school core value of kindness.

Y4 Trip to the Butterfly House

As part of their learning about the Amazon Rainforest, the children visited the Tropical Butterfly House this week. The Y4 staff and our parent volunteers were all so impressed with the children's behaviour, engagement and enthusiasm on Wednesday. The Tropical Butterfly House commented on how knowledgeable and polite the children were too. Well done Y4, you did our school proud!

Festive Pumpkin Hammering

Caitlin has been demonstrating her fine motor skills this week by carefully hammering nails into a pumpkin. This is great for developing skills for holding a pencil for writing. Our EYFS children have so much fun!

Think, think, think!
Antonia and Ella have been spotted using deep concentration skills this week during their phonics lesson. I was highly impressed with their ability to show real determination in their learning.

Excellence for every child every day
