Christmas Performances

Galore!

The children this week have been amazing stars on stage. From our youngest children in Nursery and Reception to our oldest in Y6, children have showcased their creative performance skills and entertained our school community. Thank you to our families for supporting these memorable events- particularly those of you who stood out in the rain during the Christmas Carol Concert on Tuesday!

Eat Your Sprouts!

On Wednesday, Oliver and Reuben took part in encouraging children to eat their sprouts on their Christmas dinner plates. Well done Oliver and Rueben for counting them up and handing out the stickers of praise. Well done Preya and Mrs M for eating yours!

Movie Night raised £500!

Not only did the children enjoy being in school last week for movie and pyjamas, we managed to raise £500 for our school too!

The children loved the experience so we will be planning another Movie Night for later in the academic year.

Y1 Morning Rivelin Walk

Year 1 enjoyed a walk down Rivelin Valley this morning as part of our English work. They had an amazing time spotting local wildlife including herons and Mandarin ducks. They can't wait to write all about their experience next week!
