

Peter Jow

Date of Appointment	June 2021
Type of Appointment	Parent Governor
Term of Office	4 years
Personal Statement I am a parent of 3 children all of whom either went or still attend to Rivelin Primary. When the opportunity arose to join the governing board, I put myself forward and was delighted to have been voted onto the board. I have held senior or leadership roles in both large and small companies in the private sector for the last 10+ years which included 3 years as Managing Director of a local SME. Having seen my children flourish at Rivelin Primary I wanted to give something back to the school, and believe that my experience and skills in the private sector, particularly in people management, strategy and finance will complement the effectiveness of the governing board. I have found the experience of being part of the governing board both challenging and rewarding, and it has certainly contributed to my own personal development. I'm very much enjoying it!
