Rivelin Cross Country

Think a good time was had by all last Saturday at the first cross country!

Good to see a few new faces and we might have a couple more already lined up for the next race this Saturday (5th October at Bolehills).

Y4s Tudor Publishing

In year 4, the children have been writing information texts about the famous monarch Henry VIII. This week they spent time and care to publish their writing ready for a school display. They focussed on making sure they were showing TNT and BBC to make sure their handwriting was as neat as possible.

Y3 Manor Lodge

The children had a fantastic day at Manor Lodge and learnt lots of information about the Stone Age. They particularly enjoyed painting by candlelight as if they were in their own cave!

Excellence for every child every day
