Issue 13

Date: Friday 10<sup>th</sup> January, 2025

### A warm welcome back!

I'd like to start by wishing everyone a very warm welcome back and a happy new year! I hope you all enjoyed a restful Christmas break. We are all excited about all the fabulous learning that is yet to come in the new year!

### A cold start to 2025!

The weather turned wintry and cold in our first week with all the snow and then later all the ice that formed in our area. I would like to thank everyone for their support with the slightly late openings in the first part of the week. This allowed all staff and families to make it into school safely. The children have shown real determination in all their learning and shown fantastic behaviour throughout each and every day.

### Writing in Year 6

The children in Year 6 are really excited to start their next writing unit based on the short animation film 'Alma'. I can't wait to see all the fantastic writing the children will produce over the coming weeks!

### Census Day

A reminder to everyone that Census Day is on Thursday 16<sup>th</sup> January. There will be a special Census Day lunch menu which will be sent to parents and carers. We encourage as many children as possible to enjoy the fantastic hot dinner offer on that day.

### Class news

Class news for this new spring half-term is now available for you to read on the website. Please check this for all the exciting learning coming up in each class as well as key dates. If you are unsure of any particular date or an event taking place in school then please don't hesitate to contact a member of our school office team.

Excellence for every child every day
