Miss Spencer - EYFS Lead

31.01.25

This week, the Reception children have been learning all about Lunar New Year! They tasted spring rolls and citrus fruits and shared their opinions on these. They have also been listening to traditional Chinese music.

After learning about the story of Nian and how people protected themselves from him, the children made red lanterns.

The children have also learned the Makaton symbols for the Zodiac and learned about the Lunar New Year race!

Maths in nursery!

“James was exploring the mathematical concept of sharing independently this week. He lined the animals up and told me they were waiting for their food. He then put lots of cubes in a saucepan. Next, he told me he was sharing the food out between the animals.” - Miss Gooch
