Virtual Reality workshops come to Rivelin!

We had a very special visit from a Virtual Reality workshop company this week. The children were so excited to use this cutting edge technology and used the VR headsets to fully immerse themselves in their topics. The Y3s went back to the Stone Age, the Y4s to Ancient Rome, the Y5s went on an amazing journey back to the time of the Vikings and the Year 6s were transported back to WW2. Well done children!

Online safety

In Talk Assemblies this week, we have been focussing on online safety. We have been discussing the important issue of content whilst online and reminded the children to speak to a trusted adult if they do happen to come across anything that upsets them or makes them worried whilst online. For further support on how to support your child whilst online, please see the information poster sent out with the newsletter this week.

A big well done to...

Izzy Sloan in the Sparrowhawks class. Izzy recently took part in the Crookes Community Performers pantomime "Aladdin", raising money for the Sheffield Children's Hospital. A massive well done to you Izzy! You have made everyone at Rivelin very proud!

Reading Scrapbooks

To promote a real love of reading here at Rivelin, each class has been given a special reading scrapbook. I wanted to share Thomas in the Hedgehogs class' entry this week. Thomas has done a brilliant entry about his favourite books from the Skandar series. Well done Thomas!
