Opportunities for online safety in school

In Talk assemblies we are giving the children opportunities to discuss:

Cyberbullying
Talking to strangers online
Friendships online
Sleep/digital devices

Online safety is also covered in Computing lessons and Life skills lessons

Think before you click

S		I will only use the internet and email with an adult
A	CLICK	I will only click on icons and links when I know they are safe
F		I will only send friendly and polite messages
E		If I see something I don't like on screen I will always tell an adult
