Issue 19

Date: Friday 28<sup>th</sup> February, 2025

### Ofsted inspection

As I'm sure you will be aware, our school was inspected by Ofsted this week. I would like to thank all parents and carers for your support you have given the school this week, for example by completing the parent survey or even with all the kind words that have been expressed. We will be sharing the outcome of the inspection as soon as we are able to.

### Science Day

A quick reminder that Science Day is this Wednesday (12<sup>th</sup> March)! The children will be immersing themselves in exciting science lessons all day on the theme of 'Change and Adapt'. We will be sending some resources home next week too which have some fun science activities you can complete with your child.

### World Book Day

The school was transformed on Thursday as we celebrated the wonder and joy of reading with World Book Day. Children came dressed up as characters from their favourite book and it was so lovely to see all the excitement and fun being had around books. Thank you again to all parents and carers for your support with making costumes!

### Talk assembly - International Womens' Day

This week in talk assemblies, we were discussing International Womens' Day. We taught the children about Emmeline Pankhurst and the suffragette movement, and how through their hard work and determination women were finally given equality with men and were able to vote.
