Miss Spencer - EYFS Lead

14.03.25

In nursery this week, we have been making moon and star sun catchers as part of our learning about Ramadan and Eid.

The children used their fine motor skills to cut or rip the tissue paper into small pieces and stick it to their shapes.

Pancakes in Reception!

Last week, the Reception children started to learn about Shrove Tuesday, and why some people have pancakes to celebrate.

This week, the children made pancakes! They read the recipe, mixed the ingredients and picked their own toppings! The children were great at 'giving it a go' and tasting, even if they were a bit nervous!
