17.04.25

Welcome back! We have packed so much into our four day week! In Reception, we began with a walk to the Rivelin Valley, looking for signs of spring! We then made collages with our spring treasures.

This week, we've also been learning about the story of Easter. The children enjoyed a special visit from Kenny, the Associate Vicar at Christ Church Walkley, who helped bring the story to life. To celebrate, we decorated eggs and even held an egg-rolling competition! We discovered that this fun tradition links to the Easter story, symbolising the stone rolling away from Jesus' tomb.

Easter in Nursery!

In nursery, the children have been decorating wooden eggs this week in celebration of Easter. They have also made Easter cards for their families. Happy Easter everyone!
