EYFS and KS1 get a special marble treat!

The children in EYFS and KS1 got a special treat today. After working so hard on showing all their Core Values, they filled their shared marble jar! Children today could come in non-uniform and had a special disco. The children got to dance to some party tunes, had a glass of juice and even got a bag of special sweets! Well done KS1 and EYFS!

PE Kits

Just a reminder to all parents and carers about the importance of children bringing a PE kit into school. This kit is not only an important part of our uniform here, but getting changed for PE and looking after their kit teaches children important life skills such as independence. The kit should be a plain white t-shirt, shorts and some plimsoles or trainers for when children do their PE learning outside.

Frida Kahlo Talk Assembly

In talk assemblies this week, the children learnt about Frida Kahlo. The children learnt about Frida's surrealist style of artwork but also about her bravery and determination to keep painting even when she got very poorly later in her life.

Cross Country

A big shout out this week too to some of our Y3 and Y4 children who have shown an abundance of determination by representing Rivelin so brilliantly at a cross-country running even at the weekend. The children did wonderfully well and finished nearly in the top 10 out of over 40 schools. Well done everyone, you have made Rivelin very proud!

Spaces in Reception for September 2025

Finally, I would just like to add that we do still have some spaces for children beginning Reception in September 2025. Our EYFS provision has been awarded the Quality Mark for outstanding provision. Please do spread the word if you know anyone who may be interested in their children attending. We encourage families to pop in and visit EYFS if they are interested.
