## Meet Techosaurus, the new online safety dinosaur!

Children are growing up in a time where screens are everywhere and the internet plays a big part in their lives, even from a very young age.

This can be beneficial, they can learn new things, connect with friends and family, and have fun. But it's important to have conversations on how to explore the online world safely.

**That's where Techosaurus, our new friendly dinosaur comes in!**

# NSPCC

### New! Techosaurus has their own book

Help Techosaurus and their friends defeat the online dinosaurs and save the school.
