In Nursery this week, Nabh has astounded us this morning with his drawing! He has independently drawn the world and some of the countries' flags. He has accurately drawn the flags of Japan, the UK and India, among others. Incredible work Nabh, well done!

Fliss has been showing us what she has learnt in our maths lessons. She was very proud of the triangle and rectangle she independently painted! Well done Fliss!

Cannon Hall Farm!

The highlight of our week in Reception was without a doubt our fantastic trip to Cannon Hall Farm! The children were amazed by the variety of animals they saw – from one-day-old piglets to meerkats, donkeys, sheep, cows, alpacas, reindeer, highland cows, and even American miniature horses!

We were so proud of how beautifully the children represented our school – they were curious, respectful, full of great questions, and had a brilliant time.

A huge thank you to our wonderful grown-up volunteers – we couldn't have done it without you!
