Y6 light up the stage!

There's no other place to start this week then with the amazing performances of 'Snow White' put on by the children in Y6. The children have worked so hard on preparing for these production and they put on 3 fantastic performances this week so well done, children! You are a real asset to our school!

I would also like to take a moment to say a huge thank you to Miss Hague, Mrs Horbury and Mrs Ryan for their hard work and dedication in helping the children prepare for the show, learn their lines and making, along with the children, all the amazing props! The show was a real triumph and couldn't have happened without your hard work.

Well done to everyone involved!

Freezy Friday

Thank you to the PTA for organising Freezy Friday today and keeping everyone cool on this hot day! It must have been a big success as they sold out of ice pops entirely!

EYFS Poetry recital

This week the parents and carers of children in Reception were in for a real treat. The children in Bumblebees class have worked very hard over the last half term learning a whole range of poems. This week the children performed a wonderful range of poems for their grown ups. It was fantastic to see children using their oracy skills so well when performing. Amazing work, children!

KS1 and EYFS Sports Day

Today was our EYFS and KS1 Sports Day. Despite the very hot weather, the children across KS1 and EYFS showed amazing determination in all their races. It was lovely to see all the kindness children showed by cheering on their classmates too! Well done to all the children in KS1 and EYFS.
